About me

I have recently started my studies as a multimedia design student in Denmark. As an opened and enthusiastic entrant in the design industry, I am looking to secure a creative position where I can gain valuable experience and face new challenges.

Education

- 2020-** Business Academy Southwest
Multimedia Design- Esbjerg, Denmark
- 2019- 2020:** Berzeviczy Gergely Vocational High School
Financial and Accounting Administrator- Miskolc, Hungary
- 2014- 2019:** Berzeviczy Gergely High School

Hobbies

Editing:

I have made videos for commercial and marketing purposes, such as a ski trip after movie for school, training video for my team, vlogs about my personal trips. Besides, I also edit photos on a daily basis.

Ice hockey:

I have been playing ice hockey since kindergarden, it is more than 15 years now. During this time, I also have been appointed as the captain of the team by the coaches and my team members for 5 times. I have been in the national teams for several years.

Windsurf:

I have been doing this sport from age 10. I had the chance to be a surf instructor in Croatia, as a summer job and showed many people how enjoyable this sport could be.

Snowboard:

I have been in this almost since I can walk, I started with skiing then switched to snowboard. Every year I spend many hours teaching students on the ski trips.

Languages

Foreign: ▶Hungarian- Mother tongue ▶English- B2 ▶German- beginner

Programming: ▶Html ▶Css/Scss ▶Java

Summary

I am a self-motivated and cheerful multimedia design student who just fell in love with creating content even more. I have been told that I provide a safe pair of hands in challenging times. I am committed to learning and self-development so that I can consistently achieve better results.
